

# High Capacity Unit: Specifications

## Product Description Model LQFC425K

The lotus<sup>®</sup> PRO High Capacity chemical-free cleaning system turns ordinary tap water into Aqueous Ozone - a powerful natural cleaner, stain remover, deodorizer and sanitizer. The Aqueous Ozone is made on-the-spot with continuous flow for mop buckets, carpet extractors and auto scrubbers - killing germs while cleaning. It provides residue-free performance for a longer lasting clean and low slippage on even the smoothest floors. Safe on natural wood and stone. Floors stay cleaner, longer with no stripping.

### STABILIZATION MODULE

Now get hours of cleaning power with the New Stabilization Module. Turns ordinary tap water into a long-lasting, natural Oxy cleaner and sanitizer using patented Aqueous Ozone technology that keeps more ozone in solution for longer periods.

TECHNICAL SPECIFICATIONS	REGULATORY INFORMATION
